Narrative description of the Prop 28 art education program(s) funded.

Due to the fact that Proposition 28 funding allocations and reporting requirements were released so late for the 2023-24 year, Pivot has not had an opportunity to fully implement its new arts programs. Some new arts related field trips and on-site activities were added, but the majority of the new programs will not be implemented until the 2024-25 school year. The majority of 2023-24 funding from this source will be spent in 2024-25. LEAs have 3 years to spend each annual allocation of Proposition 28 funds.
